

Faith Climate Action
Statehouse Lobby Day
A Call for Dialogue and Prayer

Wednesday, April 20th, 11:00 am – 1:00 pm

The Power of Advocacy is hope!

Come! Join us as we call for actions that promote our common good and a sustainable future for all; meet with elected officials; and network with people from all over Ohio, coming together in prayer and commitment!

As diverse voices and people of faith we share a common concern for the Earth and for the health and well-being of all Ohioans. We are calling for civil dialogue and conversation that will result in swift actions to remove the freeze on the clean energy standards for Ohio.
